The Eastern Blue Ridge Fly Fishers, a FFF chartered club, is hosting the **2nd Annual 2-Fly Tournament Fundraiser for Project Healing Waters** (PHW). PHW is a non-profit organization that has been utilizing fly fishing and fly tying in the rehabilitation of wounded servicemen and women at Walter Reed Army Medical Center for the past two years.

PHW is expanding and has begun to offer its program to other Military Medical Centers and VA Hospitals nationwide. Please support this worthy effort by joining all of us at the Rose River Farm (www.roseriverfarm.com) on the 4th of May for a fun-filled day featuring a 2-fly tournament with the wounded Vets of PHW. Teams will

compete on over a mile and a half of the Rose River that runs through Rose River Farm near Syria, Virginia. Ten or more corporate sponsored Pro/Vet teams* will compete along with the rest of the teams which will bring the total to 30 for the tournament. The fish will be plentiful and the action hot, so take in the beauty of Spring in the Blue Ridge mountains while supporting those who have sacrificed for us.

Can't participate in the tournament but still want to support this great cause? Use the attached form to simply make a donation.

**If you would like to sponsor a Pro/Vet team, please call Sandy at (301) 399-7396.*
